

Big Brainz at home setup instructions

With **Big Brainz**, students can log in at home and continue working on improving their math skills outside of school.

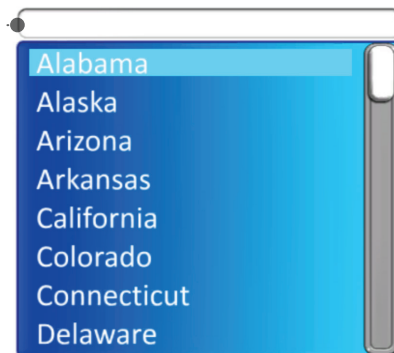

For PC and Mac computers:

- 1 Go to bigbrainz.com/web
- 2 Select your state, district and school.
- 3 Enter your child's password:

The password for _____
STUDENT'S NAME

is: _____
PASSWORD

For iPad:

- 1 Download the Big Brainz app from the App Store.

For questions about Big Brainz or password, contact your child's teacher.

System Requirements:

- Windows (10, 8, 7, Vista)
- Mac (Intel-based, OS X 10.6 + only)
- iPad 2 or newer
